

1st Assistant Golf Professional/PGM Internship/Associate

Salary: \$18.00 - \$21.00 Per Hour

Overview

Holiday Valley Resort is a four-season resort. The 18-hole par 70 "Double Black Diamond" golf course is a pleasing blend of a mountain and flat terrain. The relatively level front nine plays longer and is built around a series of ponds and bunkers. The back nine winds its way through the base of the mountains and provides spectacular views. The fairways are well manicured and narrow and this nine provides a very stern test of golf. The greens are carefully manicured to provide a true putting surface. The course measures 6500 yards.

The Resort also offers a Practice Facility features a 300-yard driving range including 10 covered tees and up to 50 grass tees, multiple target greens.

Holiday Valley boasts 13 lifts, 60 ski slopes and trails, 3 base lodges, two hotels, a golf course, pools, aerial park, mountain coaster and numerous amenities. The resort has become a leader in the ski industry and ranks among the favorites of skiers in the East.
