

Job Posting: Daycare Assistant for Summer Adventure Care Program
Location: Training Center
Pay: \$16.00 per hour

Overview:

Holiday Valley Day Care is looking for passionate and dedicated Summer Daycare Assistants to join our team for the Summer Adventure Care Program. This exciting program will run from Monday, July 6, 2026, to Friday, August 21, 2026, and we are seeking energetic individuals who want to make a positive impact on children's lives while having fun in the process!

Our Summer Adventure Care Program offers a variety of activities designed to inspire creativity, physical activity, and social growth. Children will engage in outdoor play, arts and crafts, swimming, swim lessons, golf lessons, and much more. This is a fantastic opportunity to help create lasting memories for children ages 5 to 9 years in a relaxed, supportive, and safe setting.

Candidates must be at least 18 years old and available to work from June 22, 2026, to August 21, 2026 between the hours 7:30 AM – 5:00 PM (Monday through Friday).

Key Responsibilities:

- Support Lead Staff in engaging children (ages 5–9) in age-appropriate activities that encourage learning, creativity, and skill development.
- Provide attentive supervision during both indoor and outdoor activities, ensuring a safe, fun, and enriching environment.
- Assist in maintaining cleanliness, organization, and safety in all daycare spaces.
- Build positive relationships with children, parents, and fellow team members, fostering a collaborative and supportive environment.
- Help with daily routines including snack times, transitions, and keeping the children on schedule.
- Support teachers with classroom management and assist in the preparation and implementation of educational and recreational activities.
- Assist in implementing a wide range of activities such as arts, crafts, sports, games, and water play—must like to be outside in all types of weather.

Preferred Qualifications (Not required):

- Previous experience working in childcare, daycare, summer camps, or babysitting children 5 to 9 years.
- Knowledge of early childhood development and age-appropriate activities.
- CPR and First Aid certification (preferred but not required).
- Strong communication and interpersonal skills.
- Ability to work collaboratively in a team-oriented environment.
Patience, creativity, and a genuine passion for supporting children's growth and development.
